from the West Virginia Association of Health Plans

Welcome to Medicaid Minute from the West Virginia Association of Health Plans. Every month you can expect our newsletter to provide you with the most up to date information about the work Managed Care Organizations are doing within the Medicaid Program and for our state. We want to serve as a resource for your Medicaid questions.

## ABHWV Community Investment

The West Virginia Association of Health Plans (WVAHP) would like to recognize Aetna Better Health of West Virginia (ABHWV) for their generous donation to the St. Mary's Center for Education. This \$900,000 investment will be used to build an additional education wing that will accommodate two classrooms, laboratories and simulation learning spaces for students and staff. ABHWV also designated \$100,000 to be used as scholarship support for nursing students as a way to help ease their financial burden while in school.

A ceremony was held last month at St. Mary's to celebrate the expansion.
